

Data Analytics Academy — Landing Page Prototype

Hero

Start Your Data Analytics Journey With a Clear Roadmap

Discover the skills, tools, portfolio projects and career preparation you need to plan your path toward Data Analytics.

CTA: RESERVE YOUR FREE SEAT

Problem

Not Sure Where to Start?

Which skills should I learn? Excel, SQL, Power BI or Python? What projects should I build? How should I prepare my resume? What should I expect in interviews?

Workshop Value

Skills & Tools | Portfolio Projects | Career Roadmap | Career Preparation

Agenda

What Does a Data Analyst Do? → Skills & Tools → Portfolio Projects → Resume & Interview Preparation → Personal Learning Roadmap

Who It's For

Students | Recent Graduates | Career Switchers

Learning Framework

LEARN → PRACTICE → BUILD → PREPARE

How It Works

Register → Attend Workshop → Get Roadmap → Explore Program

Final CTA

Ready to Start Your Data Analytics Journey?
